FROM: Brian Taylor

SUBJECT: Approval of Lease Agreement for University Research Pier  
(Piers 34-35), Honolulu Harbor

SPECIFIC ACTION REQUESTED:

It is requested that the Board of Regents (Board) approve a lease (Lease) of portions of Piers 34 and 35 in Honolulu Harbor from the State of Hawaii Department of Transportation (DOT) to the University of Hawaii for use as a University Research Pier to replace a portion of the functions currently carried out at Pier 45 (Snug Harbor), in substantially the form attached as Exhibit A, and authorize the officers of the University to finalize and execute the Lease and such other documents and instruments as may be necessary or appropriate in connection therewith.

RECOMMENDED EFFECTIVE DATE:

It is recommended that the Board’s approval be effective immediately, with the understanding that the term of the lease shall commence on a date set upon full execution of the lease by the University and Department of Transportation.

ADDITIONAL COST:

The lease itself is gratis for thirty-five (35) years. Other costs associated with moving the University of Hawaii Marine Center (UHMC) from Pier 45 include $4 million for design and construction of facilities at Pier 35 and $2 million for design and construction of facilities on
Memo to Randolph G. Moore

Page 2

Sand Island, both to be paid from revenue bonds (Act 122, Session Laws of Hawai‘i 2014, Item G-84.01).

Costs to operate the new Marine Center at the University Research Pier will be recovered primarily from extramural grants and contracts, mostly from federal agencies, that support research using the two large research vessels operated by the University through its School of Ocean and Earth Science and Technology (SOEST).

PURPOSE:

To provide a replacement facility to moor oceanographic research vessels and provide related supporting services in Honolulu Harbor.

BACKGROUND INFORMATION:

Pursuant to Board of Regents Policy RP 10.201, the Board reviews and approves significant leases and other real property transactions. This Lease is submitted for the Board’s approval based on the 35-year term and the programmatic and fiscal significance of the harbor facilities to the School of Ocean and Earth Sciences and Technology.

The University currently operates the UHMC at Snug Harbor under a 65-year, gratis lease from the Department of Land and Natural Resources that runs through February, 2038. Snug Harbor supports the operations of large research vessels and small boats. Facilities include piers with a hardened cement apron that can support on-and-off-loading with large cranes, a floating pier for small boats, and administration, warehouse, and storage facilities.

The DOT is in the process of developing the Kapalama Container Terminal project, which will include redevelopment of Snug Harbor for container cargo facilities. The University and DOT have been in discussions regarding relocation of the University’s Snug Harbor facilities to facilitate harbor modernization for several years. In 2006, the Legislature adopted House Concurrent Resolution No. 266, which provides “that UH and DoT are requested to collaborate, on a priority basis, to effectuate the relocation of UH Marine Center; and . . . that prior to the relocation of the UH Marine Center, DoT and UH find a suitable location offering comparable dock space, storage and staging areas, services, size, and proximity to UH, which is beneficial to all parties involved and ensure that funding is available for its relocation.”

A Memorandum of Agreement (MOA) was executed effective March 12, 2014, setting forth the general terms on which the University would vacate Snug Harbor and surrender its current lease in exchange for new leases at Pier 34-35 for large vessels and on Sand Island for small boats. A copy of the MOA is attached as Exhibit B.
Memo to Randolph G. Moore
January 2, 2015
Page 3

The Lease will provide the University with pier and support facilities for large vessels at Pier 34-35 for a term of 35 years at gratis rent. DOT is also in the process of renovating a building for the University’s use, at a cost of $17 million, using funds appropriated by the Legislature for that purpose. It is anticipated that the University will be required to spend an additional $6 million on facilities improvements ($4 million at pier 34-35 and $2 million at Sand Island – see below), which is currently projected to be funded using revenue bonds, and which is expected to come to the Board for approval at a later time. In the judgment of the University administration, this Lease reflects the best terms available to the University under the circumstances.

The University is concurrently engaged in lease discussions with the Department of Land and Natural Resources for the Sand Island site to which the University’s small boat operations will relocate. Those discussions are going well, and the University has obtained a Right of Entry, but additional work, including environmental review, must be completed before a lease can be executed there.

**ACTION RECOMMENDED:**

It is recommended that the Board of Regents approve the Lease in substantially the form attached as Exhibit A, and authorize the officers of the University to finalize and execute the Lease and such other documents and instruments as may be necessary or appropriate in connection therewith.

MEMORANDUM OF AGREEMENT
BETWEEN THE UNIVERSITY OF HAWAII AND
DEPARTMENT OF TRANSPORTATION
STATE OF HAWAII

This Memorandum of Agreement ("Agreement") is effective this 12th day of March 2014 ("Execution Date"), by and between the University of Hawaii ("University") and the Department of Transportation ("DOT") (collectively the "Parties"), regarding the proposed withdrawal of General Lease No. S-4488 ("Original Lease"), for the ~15.228 acre Snug Harbor property currently leased from the DOT by the University of Hawaii for its Marine Center ("UHMC") at Honolulu Harbor, Hawaii, Oahu, Tax Key: (1) 1-02-025:017 ("Existing Site"), subject to approval by the Board of Land and Natural Resources ("BLNR").

RECITALS

WHEREAS, the DOT Harbors Division ("Harbors") has jurisdiction over Honolulu Harbor as provided under Chapter 266, Hawaii Revised Statutes;

WHEREAS, the Hawaii economy is dependent on ocean transportation and its commercial harbor system as its lifeline;

WHEREAS, the State of Hawaii operates on a "Just-In-Time" supply chain management system. Each Island's harbor plays a critical role in the delivery of cargo. More than 80% of all consumer goods - food, clothing, autos, building supplies, machinery, paper and allied products, medical supplies and agricultural materials - are imported into Hawaii. Of that 80%, nearly all - some 98% - enter Hawaii through commercial harbors on six islands.

WHEREAS, the commercial harbor system is critical to Hawaii's economic health, whereby DOT can no longer afford to defer needed improvements to increase berthing and cargo handling capacity within Honolulu Harbor;

WHEREAS, the DOT is focused on expediting projects identified in the Honolulu Waterfront Master Plan (1989) and Hawaii Harbor Users Group Report on Port Facilities & Development Priorities (2005);
MEMORANDUM OF AGREEMENT

Page 2

WHEREAS, the proposed Kapalama Container Terminal ("KCT") project, shall be located on a portion of the former Kapalama Military Reservation ("KMR") site and has been identified as DOT’s highest priority Harbors project that is integral to the State of Hawaii’s economic sustainability and viability;

WHEREAS, the University currently holds the Original Lease at the Snug Harbor, a site that is integral to the proposed development of the KCT project;

WHEREAS, the University of Hawaii has critical need for berthing and shore support services in Honolulu Harbor to support essential research in the Ocean Sciences, which was the original basis of designation of Snug Harbor as the University Marine Center and the use of 2.8 acres of land for that purpose to the State by the federal government until the restriction was released by the federal government in 2004;

WHEREAS, the University’s Original Lease is for a lease rent of “gratis” and for a 65-year term, commencing on February 23, 1973 and ending on February 22, 2038;

WHEREAS, to develop the KCT project, the DOT shall seek withdrawal of the lands leased to the University under the Original Lease and relocation of the University’s current facilities and operations at Snug Harbor to new facilities before April 2015 to allow for the commencement of construction for the KCT project;

WHEREAS, the University shall relocate the UHMC facilities and operations and accept the withdrawal of the Original Lease, provided substitute facilities are made available to meet the critical needs of the University programs and operations currently conducted at Snug Harbor, including moorage and operations of large and small vessels and associated support and storage facilities;

WHEREAS, the DOT has exerted a good faith effort to work collaboratively with the University, specifically demonstrated by DOT agreeing to expend SEVENTEEN MILLION and NO/100 DOLLARS ($17,000,000.00) to assist the University in the development/redevelopment of its new UHMC permanent site facilities to be located at Piers 34-35;

WHEREAS, the following major studies and deliverables were commissioned by the DOT at its sole expense to facilitate a relocation of the UHMC out from the Snug Harbor site:

i. February 2007, the JWD Group, a port development consultant contracted by DOT, presented a concept plans report for the development of the KCT facility. This report determined that the former KMR site is well suited for the development of a new container terminal that would adequately increase the capacity of Honolulu Harbor into the foreseeable future.

ii. May 2007, Belt Collins Hawaii, the DOT’s consultant, delivered the University of Hawaii Marine Center Relocation Study that examined the existing UHMC
facilities, relocation requirements, and priorities. The report was instrumental in assisting the DOT and the University to evaluate relocation sites, redevelopment costs and funding.

iii. May 2008, Belt Collins Hawaii, the DOT’s consultant, prepared a planning report (inclusive of conceptual layout alternatives, civil engineering studies, permit memos and surveys) for the relocation of the UHMC to a permanent consolidated site at Sand Island, Honolulu Harbor, inclusive of an area currently occupied by the Marine Education and Training Center (“METC”).

iv. September 2008, Control Point Surveying, Inc. prepared preliminary boundary/premise maps for the proposed parcels for the relocation of the UHMC to the permanent consolidated site at Sand Island.

v. May 11, 2009, DMJM Harris/AECOM, the DOT’s consultant, delivered a conceptual design, basis of design, and a conceptual construction estimate for interim facilities to house the UHMC at Piers 34-35. The estimated conceptual construction cost was established at $7.6 million.

vi. July 2011, Pacific Architects, the DOT’s consultant, prepared a construction cost estimate for the building and sitework improvements at Piers 34-35. Their estimated construction cost of $16.5 million was more than double of the 5/11/09 DMJM Harris/AECOM estimate.

WHEREAS, in September 2007, the DOT and the University agreed in principle to move forward with the planning, design, construction and relocation of the UHMC’s large vessel operations to facilities at Piers 34-35 (the “New Site – Large Vessels”), Honolulu Harbor;

WHEREAS, the DOT has completed the planning and designing; and shall construct building and yard improvements at the New Site – Large Vessels, associated with a metes and bounds description, to house an interim and permanent relocation of the UHMC large vessel operations for a total construction cost to the DOT not to exceed SEVENTEEN MILLION NO/100 DOLLARS ($17,000,000.00);

WHEREAS, the University has actively participated in the planning and design process, and has reviewed and agreed to all current plans and designs of the New Site – Large Vessels facilities at Piers 34-35;

WHEREAS, the DLNR is prepared to lease to the University a relocation area at Sand Island to enable consolidation of UHMC’s small boat operations and certain other facilities with the existing METC facilities (the “New Site – Small Vessels”);

WHEREAS, the University shall vacate the current UHMC site and surrender the Original Lease upon completion of site improvements at the New Site – Large Vessels and execution of leases for the New Site – Large Vessels and execution of a lease or reasonable progress toward a lease for the New Site – Small Vessels; and
WHEREAS, the parties acknowledge that it is the position of DOT that any future lease to the University for the New Site – Large Vessels after the expiration of the 35-year term of the lease described herein should require the payment of fair market rent; that it is the position of the University that the University is not in a position to commit to the payment of rent in the future due to the absence of an available funding source and for other reasons; and that therefore it will be necessary for DOT and the University to reach agreement on any rent to be charged under any future lease at the time of such lease and if no agreement is reached on such future lease, the UH shall vacate by expiration date of the 35 year term lease described herein;

NOW THEREFORE, in consideration of the mutual promises and representations contained herein, the Parties agree as follows:

1. Land Tenure.

DOT will provide a new building and land lease to the University for the New Site - Large Vessels at Piers 34-35 and support the New Site – Small Vessels lease from DLNR at Sand Island. The parties will cooperate to negotiate and finalize mutually acceptable lease documents containing the terms and conditions described in this Agreement and other terms and conditions appropriate for long-term leases between State agencies. The areas to be included in the New Site – Large Vessels are depicted in Exhibit A and the areas to be included by DLNR in the New Site – Small Vessels are depicted in Exhibit B.

2. New Site – Large Vessels Lease

The lease for the New Site – Large Vessels shall be for a duration of THIRTY-FIVE YEARS (35 YEARS). The 35-year lease shall require the University to perform and pay for all necessary and appropriate maintenance and upkeep on the leased premises including all improvements and the pier and to perform or permit such inspections as DOT may reasonably request from time to time. The 35-year lease shall further require the University to be responsible for complying with all applicable Federal and State environmental laws during the term of the leases and for remediation of any environmental contamination arising from its occupancy in accordance with applicable law.

Further, the University shall be required to submit to DOT Harbors an annual inspection and/or annual survey that is completed by a State of Hawaii Certified Structural Engineer, or such other inspection and/or survey documentation as the parties may mutually agree from time to time, at the University’s expense, on each and every one year anniversary of the New Permanent Site Lease execution date, for the duration of the New Permanent Site Lease and any Subsequent Lease(s) thereafter. Additionally, all regular and preventative maintenance identified with the annual inspection and/or annual survey shall be completed by the University within EIGHTEEN MONTHS (18 MONTHS) from the date that each annual inspection and/or annual survey is conducted.
3. **Site Facilities for the UHMC.**

The DOT has conducted and funded the planning ($0.77 million), lease buy-out of existing tenants ($0.50 million) and design ($1.21 million); and will be responsible for the construction ($17.00 million (maximum)) of a 6.03 acre New Permanent Site – Large Vessels facility at Piers 34-35 for the UHMC.

The DOT and University, with the assistance and guidance from DOT’s consultants, have worked diligently, cooperatively and collaboratively together in developing building and site work drawings, which both parties agree shall serve as the basis for the development of final construction documents.

The University agrees to continue this cooperative effort and to provide in a timely manner so as not to adversely impact the DOT’s design and construction schedule, all information that the DOT’s consultants require and request for the completion of the design services.

Both the DOT and University agree that the maximum budget for the construction of all improvements for the New Site – Large Vessels Lease facilities at Piers 34-35 is SEVENTEEN MILLION AND 00/100 DOLLARS ($17,000,000.00). The DOT’s design consultants shall deliver final construction documents for a total scope of improvements which are not to exceed that maximum budget.

The University shall be responsible for any and all development and other construction costs for the New Site – Large Vessels and the New Site – Small Vessels.

4. **Non-exclusive Berthing at Piers 34-35.**

The DOT has consistently and fully represented to the University that due to the lack of berthing space in Honolulu Harbor, Piers 34-35 must remain non-exclusive to the University. However, the DOT also agrees that priority berthing shall be granted to the University along its New Site – Large Vessels wharf frontage at Piers 34-35.

The University acknowledges the shortage of berthing space as represented by the DOT in Honolulu Harbor and understands that Pier 34 will periodically be needed as a layberth. During those times, a non-University vessel may extend into the wharf frontage and mooring lines will need to be tied to bollards within the University’s New Site – Large Vessel wharf frontage. The University agrees to fully cooperate with and amicably and timely establish procedures with DOT for providing access to its site for the purposes of periodic layberthing of non-University vessel(s), which procedures shall be consistent with the operational and security requirements of the DOT, and the University under applicable laws, regulations, and grant conditions.
5. **Moving Expenses.**

The DOT agrees to fund reasonable moving expenses not to exceed TEN THOUSAND AND NO/100 DOLLARS ($10,000.00) for the University’s relocation to the New Permanent Site facilities at Piers 34-35. Conversely, the DOT shall not fund costs deemed a result of funding shortfalls, increased operating costs and temporary and/or long term loss of funding support. The University shall be responsible for all other moving and transition expenses.

6. **Timing of Move.**

The UH and DOT agree that the termination date of the University’s Original Lease shall be 60 calendar days from the date of final inspection of the improvements at the New Site – Large Vessels facility at Pier 34-35. Further, DOT will provide written notice to UH for the New Site – Large Vessels to proceed to relocate into the facility. DOT will provide as-built drawings and such other information and documents as UH may reasonably request in connection with UH’s further improvements of the New Site – Large Vessels. Regardless of the New Site - Small Vessels situation, the University shall peaceably and quietly, without any recourse, incident and delay, remove all of its property, equipment, vehicles, furniture, personnel and belongings, and any other items belonging to the University from the Original Lease site within the 60 calendar days provided. DOT shall accept the site in “as-is” condition and shall be responsible for demolition of existing buildings and structures. The University shall continue to be responsible for such obligations under the Original Lease as survive termination in accordance with the terms of the Original Lease, except as the parties may otherwise agree in writing.

7. **Non-Performance Remedies.**

Should either party materially breach this Agreement and fail to cure such breach within 30 days of written notice thereof, the non-breaching party may terminate this Agreement by written notice to the breaching party and may exercise any and all rights and remedies available by law.

8. **DOT Support.**

DOT agrees to provide $17 million for site facilities at Piers 34-35 and moving expenses only as stated. UH is responsible for any additional costs, whether for their interim or permanent facilities; provided, however, that UH shall not assume any responsibility or liability under any contract entered into by DOT to which UH is not a party, and DOT shall be solely responsible for any such contracts. UH shall not exercise any direction or control over DOT’s prime or sub contractors or materials suppliers or contract with any
of DOT's prime or sub contractors or materials suppliers for work on the site during the term of DOT's contracts.

IN WITNESS WHEREOF, the Parties hereto have executed this Agreement as of the Execution Date.

1. LESSEE’s cost. The LESSEE shall have the right to erect, construct, install, place, maintain, and operate at, in, or upon the Premises, at the LESSEE’s sole cost and expense, exterior signs containing the LESSEE’s name and its business.

2. Conformity. Exterior signs shall be substantially uniform in size, type, and location with those of other businesses and tenants at the Harbor. The number, general type, size, design, and location of such exterior signs shall be subject to the prior written approval of the LESSOR. The location and placement of approved exterior signs by the LESSEE are subject to change as deemed necessary by the LESSOR. The LESSEE shall, at its sole cost and expense, promptly remove, move, or relocate an exterior sign upon receipt of a notice to do so by the LESSOR.

B. Subject to rules. The privilege of ingress and egress at the Harbor shall be subject to the rules and regulations of the LESSOR, now in effect or which may hereafter be adopted or amended, for the safe and efficient operation of the Harbor.

C. Right to alter access. The LESSOR may, at any time, temporarily or permanently, close, consent to close, or request the closing of any roadway and any other area at the Harbor, presently or hereafter used as such, so long as a reasonable alternative means of ingress and egress remains available to the LESSEE.

D. LESSEE's release. The LESSEE hereby releases and discharges the LESSOR and the LESSOR's successors and assigns, of and from any and all claims, demands, causes of action, liabilities, losses, damages, costs, and expenses, including attorneys' fees and other legal and/or court costs, and demands therefor, which the LESSEE may now, or at any time hereafter, have against the LESSOR and the LESSOR's successors and assigns, arising or alleged to have arisen out of the closing of any street, roadway, sidewalk, walkway, or access area or other area, whether within or outside the Harbor.

E. LESSOR right to adjust pedestrian/vehicular traffic patterns. The LESSEE in entering into this Lease recognizes the LESSOR's right and responsibility to provide convenient and efficient public access and thoroughfare and, therefore, acknowledges the LESSOR's right to adjust, amend, alter, or otherwise revise pedestrian and vehicular traffic patterns in the best interest of the operation of the Harbor as determined by the LESSOR.

The LESSOR will require Matson Navigation and/or other Harbor user to coordinate such use of the internal roadway within the Premises with the LESSEE in advance.

ARTICLE XIII. LESSEE LIMITATIONS

A. Lessee's Responsibility. The LESSEE shall be responsible for damage or injury caused by the LESSEE’s officers and employees in the course of their employment to the extent that the LESSEE’s liability for such damage or injury has been determined by a court or otherwise agreed to by the LESSEE. The LESSEE shall pay for such damage or injury to the extent permitted by law and provided that funds are appropriated, allotted or otherwise properly made available for that purpose. In each instance in this Lease (including, without limitation, any applicable rules and regulations adopted or implemented by the LESSOR) where the LESSEE is obligated to assume responsibility or liability of any type or nature for damages or injuries, including, without limitation, any obligation to perform, be responsible for failure to perform, or pay monies, such obligation shall be subject to and limited by the provisions of this Article XIII, Section A (Lessee’s Responsibility). The LESSOR acknowledges that this provision, in itself, shall not constitute or be interpreted to be any type of indemnification, defense, or hold harmless obligation of the LESSEE. The LESSEE’s obligations under this Section A shall survive the expiration or earlier termination of this Lease.

B. Lessee not authorized to indemnify. The LESSOR and the LESSEE acknowledge and agree that the LESSEE, as an agency of the State of Hawai‘i, is not authorized to indemnify the LESSOR in any way, including, without limitation, against any claims for bodily injury, wrongful death and/or property damage by any persons. Notwithstanding anything to the contrary contained in this Lease, the LESSEE shall have no contractual duty to indemnify, defend, or hold harmless the LESSOR or any other persons under any circumstances arising out of or related to this Lease and the LESSEE’s occupancy of the Premises under the terms of this Lease. In each instance in this Lease (including, without limitation, any applicable rules and regulations adopted or implemented by the LESSOR) where the LESSEE is or may be obligated to indemnify, defend, or hold harmless the LESSOR or any other persons, such obligations shall be deemed null and void and such contrary indemnity or defense obligations and provisions shall be deemed to be superseded by this provision, and of no force or effect.

C. Lessee not responsible for others. Notwithstanding anything to the contrary contained in this Lease, the LESSOR acknowledges that the LESSEE can only be held responsible for the actions of the LESSEE’s officers and employees, and the LESSOR shall not hold the LESSEE responsible for any actions or omissions of any other person or entity, including, without limitation, any person or entity who (except for the LESSEE’s officers and employees) could be deemed to be the LESSEE’s representatives, students, invitees, or

customers. In each instance in this Lease where the LESSEE is obligated to assume responsibility for the actions or omissions of any persons or entities other than the LESSEE’s officers or employees, such obligations shall be deemed null and void and such contrary LESSEE responsibility obligations or provisions shall be deemed to be superseded by this provision, and of no force or effect. The LESSOR acknowledges that this provision, in itself, shall not constitute or be interpreted to be any type of indemnification, defense, or hold harmless obligation of the LESSEE.

D. Subject to Funding. To the extent that the LESSEE is: (1) obligated to perform under this Lease, (2) obligated to make any payments under this Lease, or (3) deemed liable under this Lease, the LESSEE’s ability to satisfy such obligations or liabilities, particularly any obligations requiring the payment of any amount of monies, is limited to that which is permitted by law and is subject to the condition that funds are properly appropriated, allotted, or otherwise properly made available for the purpose of satisfying such obligations or liabilities. At a minimum, the following conditions must be satisfied in order for funding to be made properly available: (a) the Hawaii State Legislature shall have appropriated sufficient funding to satisfy such obligations or liabilities; (b) the Governor of the State of Hawaii shall have authorized the use of such funds for satisfying such obligations or liabilities; and (c) the satisfaction of conditions, if any, imposed by the Hawaii State Legislature and/or the Governor on the use of such funds. The LESSEE shall use reasonable good faith efforts to have funds properly appropriated, allotted, or made available for such purposes (including, without limitation, obtaining legislative and Governor’s authorizations for use of such funds) and to satisfy such conditions in a timely manner.

1. Applies to all of Lessee’s obligations. Notwithstanding anything to the contrary contained in this Lease, this provision shall apply to and qualify each and every LESSEE’s obligation to perform under this Lease, including, without limitation, any obligation of the LESSEE to pay or reimburse the LESSOR for any work performed by the LESSOR due to the LESSEE’s failure or refusal to perform under this Lease and any obligation of the LESSEE to perform under the rules and regulations adopted or implemented by the LESSOR.

2. Lessor’s right to advance notice. As an inducement to the LESSOR to agree to the Lessee Limitations (as defined herein), the LESSEE hereby agrees that for any obligations or liabilities of the LESSEE which are subject to the LESSEE obtaining funding or satisfying other conditions prior to the LESSEE being able to fulfill such obligations or liabilities, as specified in the Lessee Limitations (as defined herein), if the LESSEE knows, in advance, that it will not obtain such funding or not be able to fulfill such an obligation or liability, then the LESSEE shall provide the LESSOR with written notice thereof within thirty (30) days of the LESSEE obtaining such knowledge. The LESSOR shall not have the right to terminate this Lease for such failure to obtain such funding or failure to fulfill such an obligation unless and until the LESSOR and the LESSEE fully complete the dispute resolution process described in Article XLV (Dispute Resolution) herein.

G. **LESSOR not responsible.** Notwithstanding anything to the contrary, the LESSOR shall not be responsible for any damage or injury caused by any person, including but not limited to, the LESSEE’s officers and employees, except that the LESSOR will be responsible for any damage or injury caused by the negligence of the LESSOR.

**ARTICLE XIV. SURRENDER OF PREMISES**

A. **In General.** The LESSEE shall yield and deliver peaceably to the LESSOR possession of the Premises on the date of the expiration or sooner termination of this Lease, promptly and in the same condition as at the commencement of this Lease, or in the case of any and Leasehold Improvements, as at the time of the installation or construction of such Leasehold Improvements, excepting reasonable wear arising from the use of the Premises to the extent permitted elsewhere in this Lease. The Premises shall be clean and clear of any and all trash, debris, abandoned items, junk, and other similar items. All gates, doors, and locks shall be secured, and the keys turned in to the LESSOR.

If the LESSEE fails or neglects to so properly remove the LESSEE’s Personal Property, the LESSOR may either: (a) remove and dispose of the same and charge the cost of such removal and disposal to the LESSEE, which cost the LESSEE hereby agrees to pay, (2) consider the same to be abandoned and take title thereto; or (3) give the LESSEE additional time as may be needed under the circumstances, not to exceed thirty (30) days.

B. Hold Over. In the event the LESSEE, with the consent of the LESSOR and the Land Board, if required, holds over and remains in possession of the Premises after the expiration or sooner termination of this Lease, such holding over shall not be deemed a renewal or extension of this Lease, but shall only create a tenancy from month to month on the same terms, conditions, and covenants in effect immediately prior to the commencement of such holding over or such terms as may be mutually agreed upon by the LESSOR and the LESSEE.

C. Environmental Compliance Prior to LESSEE’s Surrender. The LESSEE shall observe, comply with, and completely satisfy all of the environmental/hazardous substances requirements prescribed and set forth in Article XV.C (Environmental Compliance – LESSEE’s Duties) hereof, prior to returning the Premises to the control and jurisdiction of the LESSOR.

D. Transition. In the event the LESSEE is not awarded the Lease for the subsequent period or term immediately beyond the term of this Lease, the LESSEE covenants with the LESSOR that the LESSEE shall assist in the peaceful transition and occupancy of the Premises by the replacement lessee. In order to assist in and accomplish a peaceful transition to the replacement lessee, the LESSEE, at a minimum shall, upon receipt of written notice from the LESSOR, allow entry into and upon the Premises by the replacement lessee during all reasonable hours and times prescribed by the LESSOR. Any dispute or disagreement regarding this transition to the replacement lessee shall be resolved pursuant to the dispute resolution described in Article XLV (Disputes). The LESSEE shall not remove, damage, destroy, or otherwise render unusable, any item, article, fixture, fixed improvement, equipment, or portion of the Premises which, by the covenants, terms, and conditions of this Lease, is, becomes, or could become the LESSOR’s property, including all Leasehold Improvements. The LESSEE and the LESSEE's officers and employees shall, and the LESSEE shall require that the LESSEE's agents and Guests, at all times during and throughout the term of this Lease, and with respect to all phases of its performance under this Lease, fully and completely observe, comply with, and satisfy all applicable laws, statutes, codes, ordinances, orders, rules, and regulations of all governmental authorities, including, without limitation, the United States of America, the State, and the County, and any political subdivision, or agency, authority, or commission thereof, which may have jurisdiction to pass laws, statutes, codes, or ordinances, or make and enforce orders, rules, and regulations with respect to: (1) the Premises and the Harbor; (2) all phases of the LESSEE's conduct of its operations; (3) the LESSEE's maintenance, repair, renovation, or reconstruction of the Premises; and (4) the LESSEE's performance under this Lease (collectively the "Applicable Laws").

The LESSEE shall also: (1) obtain and keep current all licenses and permits required by any governmental authority (whether federal, state, municipal, or county) for the conduct of the LESSEE's operations on the Premises and at the Harbor; and (2) promptly pay when due, any and all required rentals and other fees and charges.

Notwithstanding the foregoing covenants, provisions, and requirements, the LESSEE shall have the right, in its own name, to contest, in good faith, the validity or applicability of any Applicable Laws. The fact that the LESSEE may, in connection with such contest, refrain from complying with such Applicable Laws shall not affect in any way the LESSEE's obligation to refrain from subjecting any part or portion of the Premises to forfeiture or loss.

B. Compliance with Americans with Disabilities Act.

1. LESSEE's commitment. The LESSEE agrees that it shall conduct its operations, and occupy or use the Premises in accordance with: (a) the Americans With Disabilities Act, 42 U.S.C.S. Section 12101 et seq. (hereafter referred to collectively as the "ADA"), including, without limitation, modifying the LESSEE's policies, practices, and procedures, and providing auxiliary aids and services to disabled persons; and (b) United States Access Board's ADA Accessibility Guidelines for Buildings and Facilities, Transportation Facilities, and Transportation Vehicles (hereinafter referred to as the "ADAAG").

2. Accessible services. The LESSEE acknowledges that, pursuant to the ADA, programs, services, and other activities provided by a public entity, whether directly or through a contractor, must be accessible to the disabled public. The LESSEE shall provide the services or conduct its operations as specified in this Lease in a manner that complies with the
ADA, and any and all other applicable Federal, State, and local disability rights legislation. The LESSEE agrees not to discriminate against disabled persons in the provision of services, benefits, or activities provided under this Lease, and the LESSEE further agrees that any violation of this prohibition on the part of the LESSEE, and the LESSEE's officers, employees, agents, guests, successors, and/or assigns shall constitute a material breach of this Lease.

3. [Reserved].

4. LESSEE's alterations. With respect to all work required to be performed by the LESSEE in preparing the Premises for the LESSEE's occupancy and use, including, without limitation, the construction, installation, renovation and/or refurbishment of any and all Leasehold Improvements at, in, on, over, or under the Premises, the LESSEE agrees to complete such work in full compliance with the ADA and ADAAG. Upon the LESSOR's request, the LESSEE shall provide the LESSOR with evidence reasonably satisfactory to the LESSOR that all such work by the LESSEE was completed in compliance with the ADA and ADAAG. The LESSEE further agrees that any and all such future alterations, renovations, and/or improvements made by the LESSEE to the Premises shall comply with the ADA and ADAAG.

5. Notice. The LESSOR and the LESSEE agree to promptly give written notice to the other (not to exceed three (3) consecutive calendar days), of any and all notices which the LESSOR or the LESSEE receive alleging ADA violations.

C. Environmental Compliance – LESSEE's Duties

1. Definitions. For purposes of this Lease, the LESSEE agrees and understands that the following terms shall have the following meanings:

a. "Environmental Laws" shall mean all federal, state, and local laws of every nature including statutes, ordinances, rules, regulations, codes, notices, standards, directives of every kind, guidelines, permits, licenses, authorizations, approvals, interpretations of the foregoing by any court, legislative body, agency, or official, judicial decisions, judicial and administrative orders, rulings, or judgments, or rules of common law which currently are in effect or which may come into effect through enactment, issuance, promulgation, adoption, or otherwise, which in any way pertain to, relate to, or have any relevance to the environment, health, or safety. These environmental laws include, but are not limited to, regulations and orders of the EPA and of the DOH.

b. "Hazardous Substance" shall include any chemical, substance, radioactive materials, organic or inorganic material, controlled substance, object, condition, waste, living organism, or combination thereof which is, may be, or has been
determined by state or federal authority under any Environmental Laws to be hazardous to human health or safety or detrimental to the environment. This term shall include, but not be limited to, petroleum hydrocarbons, asbestos, radon, polychlorinated biphenyls (PCBs), methane, fuels of any kind, and other materials or materials or substances that are, or may in the future be, regulated by state or federal authorities.

2. LESSEE’s Activities and Duties.

a. Compliance with Environmental Laws. The LESSEE agrees, at its sole cost and expense, to comply with all Environmental Laws applicable to its occupancy, activities, operations, and use of the Premises. This duty shall survive the expiration or termination of this Lease, which means that the LESSEE’s duty to comply with Environmental Laws shall include complying with all Environmental Laws that may apply, or be determined to apply, to the occupancy and activities of the LESSEE on the Premises after the expiration or termination of this Lease. Failure of the LESSEE to comply with any and all Environmental Laws shall constitute a breach of this Lease for which the LESSOR may, in its sole discretion, terminate this Lease, exercise its remedies under this Lease, including remediating any condition on behalf of the LESSEE, at the LESSEE’s sole cost and expense, under Article XV.C.2.e (Environmental Investigations and Assessments) and Article XV.C.2.g (Restoration and Surrender of Premises), and take any other action at law or in equity it deems appropriate.

b. Hazardous Substances. The LESSEE and its officers and employees shall not, and shall require that any of the LESSEE’s Guests or any third persons shall not, use, store, treat, dispose, discharge, release, generate, create, or otherwise handle any Hazardous Substances on the Premises without first obtaining the prior written consent of the LESSOR, which consent may be withheld by the LESSOR in its absolute discretion, and complying with all Environmental Laws, including giving all required notices, reporting to, and obtaining permits from, all appropriate authorities, and complying with all provisions of this Lease.

c. Notice to LESSOR. The LESSEE shall keep the LESSOR fully informed at all times regarding all matters related to any Environmental Laws affecting the LESSEE or the Premises. This duty shall include keeping and maintaining a current listing of all Hazardous Substances used by the LESSEE on or within the Premises, together with evidence that the LESSEE has in effect all required and appropriate permits, licenses, registrations, approvals, and other consents that may be required by any federal, state, or county authority under any authority or Environmental Laws. The LESSEE shall make available to the LESSOR for inspection, upon request from the LESSOR, such current listing of all Hazardous Substances and such evidence of the appropriate governmental permits and approvals. The LESSEE shall provide immediate written notice of any investigation, enforcement action, compliance order, or order of any type, or any other legal action, initiated, issued, or any indication of an intent to do
so, communicated in anyway to the LESSEE by any federal, state or county authority or individual that relates in any way to any Environmental Laws or any Hazardous Substances. This written notice to the LESSOR shall include copies of all written communications from any federal, state or county agency or authority, including copies of all correspondence, claims, complaints, warnings, reports, technical data, and any other documents received or obtained by the LESSEE. At least thirty (30) days prior to termination of this Lease, or termination of the possession of the Premises by the LESSEE, whichever occurs first, the LESSEE shall provide the LESSOR with written evidence satisfactory to the LESSOR that the LESSEE has fully complied with all Environmental Laws, including any orders issued by any governmental authority that relate to the Premises, and the results of all assessments and investigations that may be ordered by the LESSOR pursuant to Article XV.C.2.e (Environmental Investigations and Assessments), or by any governmental agency responsible for enforcement of the Environmental Laws.

d. **Disposal/Removal.** Except the possession and handling of Hazardous Substances for which the LESSEE is exempt, and those Hazardous Substances for which the LESSEE has obtained all currently required permits to store or use certain Hazardous Substances on or about the Premises, including written permission from the LESSOR, the LESSEE shall cause any Hazardous Substances to be removed and transported from the Premises for disposal solely by duly licensed Hazardous Substances transporters to duly licensed facilities for final disposal, as required by all applicable Environmental Laws. The LESSEE shall provide the LESSOR with copies of documentary proof including manifests, receipts, or bills of lading, which reflect that said Hazardous Substances have been properly removed and disposed of in accordance with all Environmental Laws.

e. **Environmental Investigations and Assessments.** The LESSEE, at its sole cost and expense, shall cause to be conducted such investigations and assessments of the Premises to determine the presence of any Hazardous Substances at, in, on, under, or about the Premises as may be directed from time to time by the LESSOR, in its sole discretion, or by any federal, state, or county agency or authority. The extent and number of any environmental investigations and assessments, including testing and analyses incident thereto, shall be determined by the LESSOR or the federal, state, or county agency or authority directing said investigations and assessments to be conducted. The LESSEE shall retain a competent, certified, and qualified person or entity that is satisfactory to the LESSOR, to conduct said investigations, assessments, testing, and analyses incident thereto. The LESSEE shall cause said person or entity conducting those assessments, investigations, tests, and analyses to provide the LESSOR and the governmental authority with the written results of all assessments, investigations, tests, and analyses. Pursuant to this Lease, the LESSEE may be required to have environmental assessments conducted as aforesaid prior to, or at the time of, the LESSEE taking possession of the Premises and prior to, or at the time of, the termination of this Lease in order to determine the condition of the Premises.

f. **Remediation.** In the event that any Hazardous Substances are used, stored, treated, or disposed on the Premises, or handled, discharged, released, or determined to be present on or about the Premises, the LESSEE shall, subject to the terms of this Article XV.C.2f (Remediation) and at its sole expense and cost, remediate the Premises of any Hazardous Substances, and dispose/remove said Hazardous Substances in accordance with Article XV.C.2.d (Disposal/Removal). This duty to remediate includes strict compliance with all Environmental Laws, as well as any directives by the LESSOR to the LESSEE to remediate Hazardous Substances. This duty to remediate shall include replacement of any materials, such as soils, so removed with material that is satisfactory to the LESSOR and the governmental authority, as the case may be.

(1) **DOT Hazmat Report.** The LESSOR has furnished to the LESSEE a series of reports assessing whether and to what extent Hazardous Substances are present on, within, under, and/or affecting the Pier 35 Area, the Pier 34 Portion, and the Premises, with all of said reports completed as of the Commencement Date listed on Exhibit C attached hereto and incorporated herein by reference (hereafter collectively the “DOT Hazmat Report”). The LESSOR represents that the LESSOR has turned over and submitted to the LESSEE all Hazardous Substances assessment and other reports relating to the Pier 35 Area, the Pier 34 Portion and the Premises, provided that to the extent that such other assessments and reports are not furnished by the LESSOR to the LESSEE as of the Commencement Date, the LESSEE shall have the right to adjust, revise, and/or modify the baseline that had been previously established based on such other assessments and reports.

(2) **Baseline established by DOT Hazmat Report.** The LESSOR and the LESSEE acknowledge and agree that the DOT Hazmat Report will be the baseline from which the LESSEE’s contribution (if any) to said Hazardous Substances levels will be measured and evaluated. The LESSOR shall furnish to the LESSEE all updates or new reports relating to assessing the extent to which certain Hazardous Substances levels may have increased or decreased in comparison to the baseline established in the DOT Hazmat Report and (hereafter collectively the “DOT Update Hazmat Reports”). The LESSEE may, but is not obligated to, during the term of this Lease, perform or complete updates to the DOT Hazmat Report or any new reports relating to assessing the extent to which certain Hazardous Substances levels may have increased or decreased in comparison to the baseline established in the DOT Hazmat Report (hereafter collectively the “LESSEE Update Hazmat Reports”).

(3) **Baseline may be adjusted by updates.** If the DOT Update Hazmat Reports and/or the LESSEE Update Hazmat Reports indicates that the Hazardous Substances levels that are part of the baseline established in the DOT Hazmat Report need or should be adjusted, the LESSOR and the LESSEE agree that the Hazardous Substances levels that are part of the baseline established by the DOT Hazmat Report shall be adjusted accordingly.
(4) Extent of LESSEE's obligation to remediate. At the expiration or sooner termination of this Lease, the LESSEE shall be responsible for remediating and cleaning up any levels of Hazardous Substances that are over and above the Hazardous Substances levels that are part of the baseline established in the DOT Hazma Report, provided that if and to the extent that the LESSEE can provide information indicating that increased Hazardous Substances levels can be attributed to factors other than LESSEE's use of the Premises, the LESSEE will not be responsible for remediating and cleaning up such levels of Hazardous Substances that are so attributable to other factors.

g. Restoration and Surrender of Premises. The LESSEE hereby agrees to timely surrender the Premises upon termination of this Lease and, prior thereto, shall restore the Premises, subject to and in accordance with the terms contained in Article XV.C.2.f (Remediation), including the soil, water, ground water, and structures at, in, on, under, or about the Premises, to the same condition as the Premises existed at the commencement of this Lease, as determined by the LESSOR, reasonable wear and tear excepted. Said surrender and restoration shall be at the sole cost and expense of the LESSEE. This restoration and surrender obligation also includes, but is not limited to, the removal of all pipes, pipelines, tanks, and containers of any kind that the LESSEE has installed or erected on the Premises. In the event the LESSEE does not timely restore the Premises to a satisfactory condition, as determined by the LESSOR, the LESSEE understands and agrees that the LESSOR may exercise its rights under Article XV.C.2.i (LESSOR's Right to Act) and until such time as the restoration is complete to the satisfaction of the LESSOR, the LESSEE shall be liable for lease rent in the same manner and amount as if this Lease had continued in effect during the period of restoration, as well as any other damages and costs that the LESSOR may have incurred, including penalties, fines, and assessments related to the Premises which may be imposed on the LESSOR or the LESSEE by any governmental authority.

h. Tanks, Pipelines; Inspections and Repairs. Unless the LESSOR specifically agrees in writing prior to their installation, all pipes, pipelines, tanks, containers, or conduits of any kind that may at any time have contained, or may have been intended to contain Hazardous Substances of any type (hereafter referred to as a "Facility"), that the LESSEE intends to install on the Premises must be installed above ground level in such manner that allows for periodic inspection and maintenance of the Facility for purposes of determining the existence of leaks and discharges from, and deterioration of any kind to, and that allows repair of, the Facility. The LESSEE shall provide the LESSOR with prior notice of the LESSEE's intent to install a Facility to allow the LESSOR ample time, as determined by the LESSOR, to inspect the plans for installation of such a Facility. Said Facility shall not be installed unless and until the Facility, and its manner of installation, is approved by the LESSOR. Within ninety (90) calendar days of the commencement of this Lease, or commencement of possession of the Premises by the LESSEE, whichever first occurs, the LESSEE shall submit a contingency plan to control and remedy any spill, discharge, or leak from any Facility on the Premises during the term of this Lease, which plan shall include the cleanup of all Hazardous
Substances that may be spilled, discharged, or leaked, to the satisfaction of the LESSOR. The LESSEE shall also submit to the LESSOR a plan for the LESSEE to conduct, or have conducted, regular inspections of all Facilities on or about the Premises for the purpose of prevention of any leak, discharge, or spill from said Facilities. Said contingency plan and inspection plan are subject to the approval of the LESSOR. The LESSEE shall timely obtain and maintain in effect all required permits, licenses, and approvals for such Facilities from any governmental authority. Failure to submit said plans, to comply with said plans, or obtain and maintain any required permits, licenses, or approvals constitutes a breach of this Lease. Before the LESSOR takes action against the LESSOR to terminate the Lease for such breach, the parties will use the dispute resolution process outlined in Article XLV (Dispute Resolution) herein to resolve any disputes relating to the LESSEE’s breach hereof.

i. LESSOR’s Right to Act. In the event the LESSEE fails for any reason to comply with any of its duties under this Lease or under any Environmental Laws within the time set for doing so, or within a reasonable time as determined by the LESSOR, the LESSOR shall have the right, but not the obligation, in its sole discretion, to perform those duties, or cause them to be performed. The LESSEE hereby grants access to the Premises at all reasonable hours to the LESSOR, its agents, and anyone designated by the LESSOR, in order to perform said acts and duties. Any cost, expense, or liability of any type that may be incurred by the LESSOR in performing said acts or duties shall be the sole responsibility of the LESSEE, and the LESSEE hereby agrees to pay for those costs and expenses. The LESSOR shall have the right to inspect the Premises, with reasonable notice to LESSEE, for compliance with Environmental Laws, including LESSOR’S Storm Water pollution prevention programs.

The LESSEE is required to answer the questionnaire and return said questionnaire to the LESSOR by its due date. Failure to attend the training or complete the questionnaire shall be considered a breach of the terms and conditions of this agreement which may result in the revocation of this permit and termination of the LESSEE’S occupancy, provided that prior to LESSOR taking any action to enforce its rights hereunder, the LESSOR and the LESSEE shall seek to resolve any such disputes relating to the LESSEE’S compliance using the dispute resolution process outlined in Article XLV (Dispute Resolution) herein.

The new tenant information package will include educational materials describing the responsibilities of the LESSEE and resources for obtaining additional information regarding storm water pollution, including the storm water awareness message and information on pollution prevention and housekeeping.

The LESSOR shall conduct an inspection of the Premises within three months of the LESSEE occupying an existing facility, or completion, construction, and occupancy of a newly constructed facility. During inspections, the LESSOR shall provide outreach activities that include, but are not limited to, providing Best Management Plan fliers and other materials for posting in common areas and a schedule of upcoming training and other outreach activities. New tenant inspections shall be consistent with the procedures established by the tenant inspection program. The LESSOR shall inspect and conduct outreach at the Premises at a minimum of twice per year for high-risk tenants and users and once per year for medium- and low-risk tenants and users and shall prepare a written inspection report for each inspection, and conduct any needed enforcement which may include criminal or civil penalties as provided by law.

Such entry shall not constitute a forcible or unlawful entry into or a detainer of the Premises, or an eviction, actual or constructive, of the LESSEE from the Premises. The LESSOR reserves the exclusive right to use all areas of the Harbor not comprising the Premises. The LESSOR reserves the exclusive right to use all areas of the Harbor, together with the right to install, maintain, use, repair, and replace pipes, ducts, conduits, wires, columns, equipment, appurtenances, and structural elements serving other parts of the Harbor, in and through the Premises. B. No Obligation to Construct or Repair. Nothing in this Article XVII (Rights-of-Entry Reserved) herein, shall impose or shall be construed to impose upon the LESSOR any obligation to construct or maintain, or to make repairs, replacements, additions, or alterations to the Premises, nor shall the LESSOR’s entry upon the Premises, or any part(s) or portion(s) thereof, create any liability for any failure to do so. The LESSEE is and shall be in possession of the Premises, subject to allowing LESSOR to berth vessels at the Harbor’s Piers 34-35 pier space that are part of the Pier 35 Area, the Pier 34 Portion, and the Premises under certain conditions described in Article III.B (Use of Premises). B. Default and Termination. In the event of any breach or violation due to the occurrence of any of the events enumerated in Article XX.A (Events of Breach or Violation)
herein, LESSOR may, after the giving of a written Notice of Default in accordance with Section 171-20, HRS, pursue any available remedy, legal or equitable, it may have against the LESSEE.

If the LESSEE fails to correct the violation(s) contained in the Notice of Default to the satisfaction of the LESSOR, the LESSOR may, without prejudice to any other remedy, elect subject to Section 171-21, HRS, to proceed to terminate this Lease by providing a written Letter of Termination and Notice to Vacate to the LESSEE.

The LESSOR and the LESSEE acknowledge and agree that notwithstanding any other provision contained in this Lease, including, without limitation, any provision under which the LESSOR would have the right to terminate or seek termination of this Lease, the LESSOR and the LESSEE will engage in and utilize the dispute resolution process described in Article XLV (Dispute Resolution) and unless and until said dispute resolution process is concluded, the LESSOR shall not be entitled to exercise any of its rights to terminate this Lease as set forth in this Lease.

C. Right of Re-entry. The LESSOR shall have, as an additional remedy upon the giving of a written Notice of Termination and Notice to Vacate as provided in Article XX.B (Default and Termination) herein, the right to re-enter the Premises and every part or portion thereof, respectively, demised under this Lease upon the effective date of termination without further notice of any kind, and may regain and resume possession either with or without the institution of summary or any other legal proceedings or otherwise. Such re-entry, or regaining or resumption of possession, however, shall not in any manner affect, alter, or diminish any of the obligations of the LESSEE under this Lease, and shall in no event constitute an acceptance of surrender. The LESSOR and the LESSEE acknowledge and agree that the LESSOR shall not exercise its right of re-entry hereunder unless and until the dispute resolution process described in Article XLV (Dispute Resolution) herein shall have been fully concluded.

D. LESSEE's Rights Cease. Upon such termination by the LESSOR (exercised only after the dispute resolution process described in Article XLV (Dispute Resolution) herein shall have been fully concluded), all rights, powers, and privileges of the LESSEE granted hereunder shall cease. Unless otherwise stated herein, the LESSEE shall immediately vacate the Premises occupied and/or used by it under this Lease, and the LESSEE shall have no claim of any kind whatsoever against the LESSOR, by reason of such termination, or by reason of any act by the LESSOR incidental or related thereto. In the event of the exercise by the LESSOR of such option to terminate, the LESSEE shall have no right to or claim upon the portion of the Leasehold Improvements that were constructed or completed by the LESSOR prior to the Commencement Date or the value thereof. The LESSOR may also remove or store any of the LESSEE's Personal Property located thereon or therein, at the LESSEE's sole cost and expense, without the LESSOR being liable to the LESSEE for damage or loss thereby sustained by the LESSEE.
E. **Waiver of Redemption and Damage.** The LESSEE waives, releases, and discharges any and all claims it may now or hereafter have relating to the LESSOR’s exercise of its rights under this Lease to re-enter and regain and resume possession of the Premises, and to remove the LESSEE, the Leasehold Improvements, and the LESSEE’s Personal Property from the Premises, and store or dispose of any of the LESSEE’s property, including the LESSEE’s Personal Property.

LESSEE hereby waives any and all rights of redemption granted by or under any present or future law or statute in the event it is dispossessed for any cause, or in the event the LESSOR obtains or retains possession of the Premises in any lawful manner. LESSEE further agrees that in the event the manner or method employed by the LESSOR in re-entering or regaining possession of the Premises gives rise to a cause of action in the LESSEE in forcible entry and detainer under the laws of the State of Hawai‘i, the total amount of damages to which the LESSEE shall be entitled in any such action shall be the sum of One Dollar ($1.00), and the LESSEE agrees that this provision may be filed in any such action as its stipulation fixing the amount of damages to which it is entitled.

F. **Survival of LESSEE’s Obligations.** In the event this Lease is terminated by the LESSOR, or in the event the LESSOR re-enters, regains, or resumes possession of the Premises (all of which shall be exercised only after the dispute resolution process described in Article XLV (Dispute Resolution) herein shall have been fully concluded, LESSEE’s obligations under Article XIV.A (In General), Article XIV.C (Environmental Compliance Prior to Surrender), and Article XIV.D (Transition) and Article XV.C.2.f (Remediation), Article XV.C.2.g (Restoration and Surrender of Premises), Article XV.C.2.h (Tanks, Pipelines, Inspections and Repairs), and Article XV.C.2.i (LESSOR’s Right to Act), and all other LESSEE’s obligations that are specifically identified in this Lease as surviving the expiration or termination of this Lease (such as Article XIII (LESSEE Limitations), Article XXVI (Condemnation), Article XXIX (Liens), and Article XLVI (Brokers)), shall survive the expiration or sooner termination of this Lease, provided that such obligations arise from or relate back to a period of time during which the Lease term was in effect with respect to the LESSEE. (hereafter collectively the “LESSEE’s Surviving Obligations”).

G. **Termination Before Commencement.** If any of the events enumerated in Article XX.A (Events of Breach or Violation) herein shall occur prior to the commencement of the Lease term, the LESSEE shall not be entitled to enter into possession of the Premises, or any part(s) or portion(s) thereof, respectively, and the LESSOR, upon the occurrence of any such event, by twenty-four (24) hours’ notice, may cancel or terminate the interest of the LESSEE under this Lease, such cancellation or termination to be effective upon the date specified in such notice.

ARTICLE XXI. WAIVER

A. No Implied Waiver. No failure by either the LESSOR or the LESSEE to insist upon the strict performance of the other party under this Lease, or to exercise any right, power, or remedy consequent upon a breach thereof, shall constitute a waiver of any such breach or of such covenant, term, or condition. A waiver or assent by the LESSOR, express or implied, of any breach or default of the LESSEE, in the performance of any of the agreements, covenants, obligations, promises, provisions, requirements, restrictions, stipulations, terms, or conditions of this Lease shall not be deemed or considered to be a waiver of any other or succeeding breach or default. No express written waiver of any default, or the performance of any agreement, covenant, obligation, promise, provision, requirement, restriction, stipulation, term, or condition hereof, shall affect any other default or performance, or cover any other period of time, other than default, performance, or period of time specified in such express waiver.

B. Cumulative Remedies. The rights, powers, privileges, options, and remedies of the LESSOR contained in this Lease shall be construed to be cumulative, and no one of them shall be deemed to be exclusive of the other, or exclusive of any right, power, privilege, option, or remedy provided by law.

ARTICLE XXII. WITHDRAWAL

A. LESSOR’s Right. The LESSOR reserves and shall have the right, at any time during and throughout the term of this Lease, in its sole discretion, and regardless of whether or not the LESSEE has breached this Lease or has been or then is in default: (1) to withdraw all or any portion of the Premises from the Lease, terminate or cancel this Lease with respect to the portion(s) of the Premises so withdrawn, and to reoccupy said portion(s) of the Premises thereunder in the public interest; or (2) to recapture any portion(s) of the Premises not utilized by the LESSEE for the uses identified or prescribed by this Lease.

B. Notice. The LESSOR shall give the LESSEE written notice of any such withdrawal or recapture, and the LESSOR’s intent to cancel or terminate this Lease as to the portion of the Premises so withdrawn or recaptured, not less than sixty (60) calendar days prior to the effective date of such cancellation or termination. The LESSOR and the LESSEE acknowledge and agree that the LESSOR shall not exercise its right of withdrawal under this Article XXII (Withdrawal) unless and until the dispute resolution process described in Article XLV (Dispute Resolution) herein shall have been fully concluded.

C. Leasehold Improvements. The LESSOR shall pay to the LESSEE the then unamortized value of the Leasehold Improvements built, constructed, erected, installed, or placed by the LESSEE, at the LESSEE’s sole cost and expense, at, in, on, over, or under the portion(s) of the Premises being withdrawn or recaptured.
The unamortized value of the withdrawn Leasehold Improvements shall be determined to be the balance after the depreciation taken on the most accelerated basis allowed under the Internal Revenue Code, regardless if such accelerated method is used by the LESSEE.

D. **No Claim Against LESSOR.** The LESSEE shall peaceably surrender the portion(s) of the Premises the LESSOR desires to withdraw or recapture, and the LESSEE shall remove all Leasehold Improvements and the LESSOR’s trade fixtures, equipment, and other Personal Property so situated on the portion(s) of the Premises so withdrawn or recaptured, all in accordance with Article XIV (Surrender of Premises) hereof, if required by the LESSOR, all at no cost to the LESSOR. The LESSEE shall not, by reason of its surrender, be entitled to any claim against the LESSOR for any of the LESSEE’s cost of removal. The LESSEE shall not be entitled to any other payment (except as provided herein) for the LESSOR’s withdrawal or recapture of the requested portion(s) of the Premises.

E. **Surrender of Entire Premises.** If the surrender of the portion(s) of the Premises requested by the LESSOR renders the remainder of the Premises unsuitable for the uses of the LESSEE under this Lease, and the LESSOR does not provide an alternate location, the LESSEE may surrender the remainder of the Premises and be relieved of any further obligation hereunder, except with respect to such other obligations of the LESSEE which are intended to survive the termination of this Lease, including, without limitation, those obligations set forth in Article XLVII (Survival of Obligations) hereof.

**ARTICLE XXIII. TERMINATION BY LESSEE**

If any one of the following events shall occur, the LESSEE may terminate this Lease, in its entirety, either prior to or subsequent to the commencement of the Lease term, to wit:

1. **Abandonment.** The permanent abandonment of the Harbor as a terminal for the ocean transport of persons, property, cargo, and/or mail.

2. **Assumption.** The lawful assumption by the United States Government, or any authorized agency thereof, of the operation, control, or use of the Harbor, or any substantial part or parts thereof, in such a manner as to substantially restrict the LESSOR from conducting its operations thereat for a period of at least sixty (60) consecutive days.

3. **Injunction.** The issuance by any court of competent jurisdiction of an injunction in any way preventing or restraining the use of the Harbor for the purposes...
authorized under this Lease, and the injunction remaining in force for a period of at least sixty (60) consecutive days.

4. Breach. The breach by the LESSOR of, or its failure to perform, any of the covenants or agreements contained in this Lease, and either the failure of the LESSOR to remedy such breach for a period of sixty (60) calendar days after receipt of a written notice from the LESSEE of the existence of such breach, or, if fulfillment of the LESSOR's obligations requires activity over a period of time, the failure of the LESSOR within said sixty (60)-day period to act in good faith to commence the required activity, and to continue the same thereafter except for causes beyond the LESSOR's control.

ARTICLE XXIV. SUSPENSION OR ABATEMENT

Upon the occurrence or maturity of any of the termination events contained in Article XXIII (Termination by LESSEE) hereof, the LESSEE may, in lieu of termination, and upon prompt written notice to the LESSOR, suspend this Lease, with such suspension or abatement to be effective from the time of the receipt of such written notice until there is a cessation of the occurrence or activity giving rise to the initial right to terminate this Lease. Nothing in this Article XXIV (Suspension or Abatement) herein shall be construed as prohibiting the LESSOR from exercising its rights under Article XXII (Withdrawal) hereof, to withdraw or recapture all or any portion of the Premises.

ARTICLE XXV. SUBORDINATION OF LEASE

A. Joint-Use. This Lease shall be subordinate in all respects to the provisions of any existing or future agreements between the LESSOR and the United States Government, or any agency thereof, relative to the vessel operating areas of the Harbor, the execution of which has been or may be required as a condition precedent to the expenditure of federal funds for the development of the Harbor. In the event of any such inconsistency between such agreement(s) and the occupancy by the LESSEE of the Premises, and/or its use thereof, pursuant to Article III (Use of Premises) hereof, this Lease or the particular terms and conditions affected thereby shall be suspended or terminated without the LESSOR being liable for any damages.

This Lease shall be subordinate in all respects to the provisions of any existing or future Joint-Use Agreement between the LESSOR and the United States Navy, the United States Army, the United States Air Force, and/or the USCG. In the event of any such inconsistency described in the preceding section between this Lease and any existing or future Joint-Use Agreement, this Lease or the particular terms and conditions affected thereby, shall be suspended or terminated without the LESSOR being liable for any damages.
B. **National Emergency.** During times of war, whether declared by Congress or not, or national emergency, the LESSOR shall have the right to enter into any agreement with the United States Government for any military use of part or all of the vessels berthing areas, the publicly-owned air and ocean navigation facilities, and all other areas and facilities of the Harbor. In the event any such agreement is executed, the provisions of this Lease, insofar as they are inconsistent with the provisions of the agreement with the United States Government, shall be suspended without the LESSOR being liable for any damages.

C. **Rights of LESSEE.** Nothing in this Article XXV (Subordination of Lease) herein contained shall detract from or limit, nor be construed to detract from or limit, the rights of the LESSEE set forth in Article XXIII (Termination by LESSEE) and Article XXIV (Suspension or Abatement) hereof, to seek damages or compensation from other than the LESSOR in the event of the execution of any such agreement described above, the terms of which are or may be inconsistent with the rights of the LESSEE under this Lease.

**ARTICLE XXVI. CONDEMNATION**

A. **Definitions.** For purposes of this Article XXVI (Condemnation), the following capitalized terms shall have the following meanings:

1. "Award" means all compensation, sums or value paid, awarded, or received for a Taking, whether pursuant to judgment, agreement, settlement, or otherwise.

2. "Date of Taking" means the earlier of: (a) the date upon which title to the portion(s) of the Premises taken passes to and vests in the condemnor; and, (b) the date on which the LESSEE is dispossessed.

3. "Taking" means a taking or damaging, including severance damage, by eminent domain, inverse condemnation or for any public or quasi-public use under Applicable Laws. A Taking may occur pursuant to the recording of a final order of condemnation, or by voluntary sale or conveyance in lieu of condemnation, or in settlement of a condemnation action.

B. **General.** If during the Lease term, any Taking of all or any part or portion of the Premises or any interest in this Lease occurs, the rights and obligations of the parties hereunder shall be determined pursuant to this Article XXVI (Condemnation). The LESSOR and the LESSEE intend that the provisions hereof govern fully in the event of a Taking. The LESSOR and the LESSEE acknowledge and agree that the federal government would be the only entity that would have sufficient authority to qualify as a condemnor of or a condemning authority for the Premises.
C. Total Taking; Automatic Termination. If a total Taking of the Premises occurs (all of the Premises are included in the Taking) then this Lease shall terminate as of the Date of Taking.

D. Partial Taking; Election to Terminate.

1. Entire termination. If a Taking of any portion (but less than all) of the Premises occurs, then this Lease shall terminate in its entirety if all of the following exist: (a) the partial Taking renders the remaining portion of the Premises untenable or unsuitable for continued use by the LESSEE for the conduct of the LESSEE’s operations; (b) the condition rendering the Premises untenable or unsuitable either is not curable or is curable, but the LESSOR is unwilling or unable to cure such condition; and (c) the LESSOR or the LESSEE elects to terminate.

2. Material portion taken. If a partial Taking of a material portion of the Premises occurs, the LESSOR and the LESSEE shall each have the right to terminate this Lease in its entirety.

3. Notice of election. A party’s election to terminate this Lease pursuant to this Article XXVI (Condemnation) shall be exercised by giving written notice to the other party to this Lease on or before the date that is one hundred twenty (120) calendar days after the Date of Taking, and thereafter this Lease shall terminate on the thirtieth (30th) consecutive day after such notice is given.

E. Award. Upon termination of this Lease pursuant to a Total Taking under Article XXVI.C (Total Taking; Automatic Termination) or an election under Article XXVI.D (Partial Taking; Election to Terminate) herein, then:

1. LESSEE.

   a. Rent. The LESSEE’s obligation to pay all rentals and other fees and charges required under this Lease, if any, shall continue up until the date of termination, and thereafter shall cease.

   b. Surviving obligations. The LESSEE shall continue to be obligated to perform and comply with all of the LESSEE’s Surviving Obligations, as set forth in Article XLVII (Survival of Obligations) hereof.

   c. Leasehold Improvements. The LESSEE shall be entitled to recover the unamortized value of the Leasehold Improvements built, constructed, erected, installed, or placed at, in, on, over, or under the Premises by the LESSEE in the ratio that the
unexpired term of this Lease on the Date of Taking bears to the unexpired term of this Lease on the date the Leasehold Improvements were completed by the LESSEE.

d. No claim against LESSOR. The LESSEE shall have no claim against the LESSOR or others for: (i) compensation or indemnity for the LESSEE’s leasehold interest; and (ii) compensation and damages payable for or on account of the Land (including access and easement rights) or improvements thereon, except as provided in Article XXVI.E.1.c (Leasehold Improvements) herein.

e. Separate claim against condemning authority. The LESSEE may make a separate claim for compensation from the condemning authority (federal government) for the LESSEE’s relocation expenses, or the interruption of, or damage to the LESSEE’s business, or damage to the LESSEE’s Personal Property. If the condemning authority (federal government) or a court of competent jurisdiction concurs that said claim exists and is justified, the LESSEE may receive any Award made specifically to the LESSEE for such claim.

2. LESSOR. The LESSOR shall be entitled to the entire Award in connection with the Taking (including any portion of the Award made for the value of the leasehold estate created by this Lease), except for the unamortized value of the Leasehold Improvements, as set forth in Article XXVI.E.1.c (Leasehold Improvements) herein.

F. Partial Taking; Continuation of Lease. If a Partial Taking of the Premises occurs, and this Lease is not terminated in its entirety under Article XXVI.D (Partial Taking; Election to Terminate) herein, then this Lease shall terminate as to the portion(s) of the Premises so taken, but shall remain in full force and effect as to the portion(s) of the Premises not taken, and the rights and obligations of the LESSOR and the LESSEE shall be modified as follows:

1. Rent reduction. If the Taking causes any portion(s) of the Premises to become unusable for the conduct of the LESSEE’s operations at the Premises, as authorized under this Lease, the rent (if any) shall be reduced by a factor computed by the square footage of the space comprising the Taking multiplied by the applicable rate based on the rates and charges established by the LESSOR.

2. Leasehold Improvements. The LESSEE shall be entitled to recover the unamortized value of the Leasehold Improvements built, constructed, erected, installed, or placed at, in, on, over, or under the Premises by the LESSEE in the ratio that the unexpired term of this Lease on the Date of Taking bears to the unexpired term of this Lease on the date the Leasehold Improvements were completed by the LESSEE.

3. No claim against LESSOR. The LESSEE shall have no claim against the LESSOR or others for: (i) compensation or indemnity for the LESSEE’s leasehold interest; and (ii) compensation and damages payable for or on account of the Land (including
access and easement rights) or Leasehold Improvements thereon, except as provided in Article XXVI.F.2 (Leasehold Improvements) herein.

4. **Separate claim against condemning authority.** The LESSEE may make a separate claim for compensation from the condemning authority (federal government) for the interruption of, or damage to the LESSEE’s business, or damage to the LESSEE’s Personal Property. If the condemning authority (federal government) or a court of competent jurisdiction concurs that said claim exists and is justified, the LESSEE may receive any Award made specifically to the LESSEE for such claim.

5. **LESSOR’s Award.** The LESSOR shall be entitled to the entire Award in connection with the Taking (including any portion(s) of the Award made for the value of the leasehold estate created by this Lease), except for the unamortized value of the Leasehold Improvements, as set forth in Article XXVI.F.2 (Leasehold Improvements) herein.

6. **Prompt Use.** Any portion of the Award received by the LESSEE shall be used promptly by the LESSEE to the extent necessary to restore or replace the Leasehold Improvements at, in, on, over, or under the remaining Premises, in accordance with plans, specifications, drawings, cost estimates, and schedules first approved, in writing, by the LESSOR.

7. **Continuing obligation.** Nothing herein shall be construed to excuse the LESSEE from the LESSEE’s full performance of all covenants, agreements, promises, obligations, stipulations, terms, and conditions under this Lease as to the part(s) or portion(s) of the Premises not part of the Taking, and the LESSEE shall remain responsible for paying to the LESSOR all rents and other fees and charges (if any) required under this Lease.

G. **Temporary Takings.** Notwithstanding anything to contrary in this Article XXVI (Condemnation), if a Taking occurs with respect to all or any part or portion of the Premises for a limited period of time not in excess of one hundred eighty (180) consecutive days, this Lease shall remain unaffected thereby, and the LESSEE shall continue to pay the rents and other fees and charges required under this Lease (if any), and to perform all of the covenants, agreements, obligations, stipulations, terms, and conditions of this Lease. In the event of such temporary Taking, the LESSEE shall not be entitled to receive any Award except for appropriate reimbursement.

The LESSEE hereby waives any claim against the LESSOR and the LESSOR's officers and employees for loss of revenue, loss of opportunity, and loss of anticipated profits caused by any lawsuit or proceedings directly or indirectly challenging the validity of this Lease, or any part or portion thereof, or by any judgment or award in any lawsuit or proceedings declaring this Lease null, void, or voidable or delaying the same, or any part or portion thereof, from being carried out.

ARTICLE XXIX. LIENS

A. LESSOR's Lien. [Reserved].

B. Other Liens Prohibited. The LESSEE shall not commit or suffer any act or neglect whereby the Premises, or any part(s) or portion(s) thereof, including any portion of the Harbor, or the Leasehold Improvements thereupon or therein, or the estate or interest of the LESSEE in the same, at any time during the term of this Lease shall become subject to any attachment, lien, charge, or encumbrance whatsoever. The LESSEE shall have no authority, express or implied, to create any attachment, lien, charge, or encumbrance upon or affecting the Premises, or any part(s) or portion(s) thereof, except as otherwise authorized, in writing, by the LESSOR under this Lease.

ARTICLE XXX. ASSIGNMENT AND SUBLETTING
A. Assignment or Other Transfers.

1. Assignment. The LESSEE shall not assign, encumber, or otherwise transfer, whether voluntary or involuntary, or by operation of law, the Premises, or any part(s) or portion(s) thereof, or any interest herein, or permit any other person to occupy or use the Premises, except by way of devise, bequest, or intestate succession, without the LESSOR’s prior written consent, which consent may be granted or denied in the LESSOR’s sole discretion. Any such transfer or assignment made without the LESSOR’s consent shall constitute a default under this Lease and shall be voidable at the LESSOR’s election.

2. Not Considered an Assignment. Use of the Premises by any department, unit, center, or group of the LESSEE or a State of Hawai’i entity affiliated with the LESSEE shall not be considered an assignment and the LESSEE shall not be required to obtain the LESSOR’s written approval before allowing such use of the Premises.

B. Subletting.

1. LESSOR’s Approval. The LESSEE shall not rent or sublet the whole or any portion of the Premises without the prior written approval of the LESSOR.

2. LESSOR approval of LESSEE subtenants. The LESSOR acknowledges that in performing its research and related activities within the Premises and operating the UH Marine Center, the LESSEE will be collaborating with a number of higher education, research, and government organizations and entities (such as the National Ocean and Atmospheric Administration/San Jose State University for the ongoing MOBY research project) (collectively the “LESSEE’s Tenants”). LESSOR hereby approves all of the LESSEE’s Tenants and their use of the Premises, subject to the following terms:

a. Recapture operating costs only. The LESSOR and the LESSEE agree that in allowing the LESSEE’s Tenants to use space within the Premises, the LESSEE requires the LESSEE’s Tenants to pay an amount not to exceed that which is sufficient to cover and reimburse the LESSEE for all costs associated with maintaining, repairing, and operating the spaces used by the LESSEE’s Tenants, including any common and supporting areas and facilities (hereafter collectively the “Recaptured Costs”). The LESSEE represents that: (a) the Recaptured Costs charged by the LESSEE is what is necessary for the LESSEE to receive no more than full reimbursement for the costs associated with maintaining, repairing, and operating the spaces used by the LESSEE’s Tenants, including any common and supporting areas and facilities and reserves for major maintenance and repair projects and (b) the LESSEE is not accruing or realizing a profit in receiving the Recaptured Costs.
b. **LESSOR’s approval.** The LESSOR approves the payment of the Recaptured Costs by the LESSEE’s Tenants to the LESSEE and will not consider such Recaptured Costs to be revenues or profit to the LESSEE and will not require the LESSEE to pay any portion of the Recaptured Costs to the LESSOR.

ARTICLE XXXIII. INTERPRETATION OF LEASE

A. **Headings.** The headings and captions preceding the articles and sections of this Lease and in the table of contents have been inserted for convenience of reference only and such captions shall in no way define or limit the scope or intent of any provision of this Lease.

B. **Not Against Drafter.** This Lease has been negotiated at arm’s length and between persons sophisticated and knowledgeable in the matters dealt with herein, and shall be interpreted to achieve the intents and purposes of the parties, without any presumption against the party responsible for drafting any part of this Lease. The language hereof, and in all parts of this Lease shall, in all cases, be construed simply according to its fair meaning, and not strictly for or against either the LESSOR or the LESSEE.

C. **Fair Meaning.** Provisions in this Lease relating to number of days shall be calendar days. Use of the word "including" shall mean "including, without limitation." References to statutes, sections, ordinances, or regulations are to be construed as including all statutory, ordinance, or regulatory provisions consolidating, amending, replacing, succeeding, or supplementing the statute, section, ordinance, or regulation.

D. **Gender and Number.** Whenever the singular number is used in this Lease and when required by the context, the same includes the plural, the plural includes the singular, and the masculine gender includes the feminine and neuter genders, and the word "person" shall include corporation, limited liability company, partnership, trust, firm, and association.

ARTICLE XXXIV. NO PARTNERSHIP

It is expressly understood and agreed by and between the LESSOR and the LESSEE, that the LESSOR shall in no way be, nor for any purpose become or be construed to become a partner of the LESSEE in the conduct of the LESSEE’s operations, or otherwise, or a joint venture or a member of a joint enterprise with the LESSEE, and the LESSOR does not assume
responsibility for the LESSEE's conduct or performance under this Lease. The LESSOR and the LESSEE acknowledge and agree that there are no third-party beneficiaries to this Lease.

ARTICLE XXXV. FORCE MAJEURE

A. LESSOR's Obligations. The LESSOR shall not be liable for any failure, delay, or interruption in performing its obligations hereunder due to causes or conditions beyond its control, including (but without limitation thereto) strikes, boycotts, picketing, slow-downs, work stoppages, or labor troubles of any other type, whether affecting the LESSOR, and/or the LESSOR's contractors or subcontractors.

The LESSOR shall be under no obligation to supply any service or services, if and to the extent, and during any period that the supplying of any such service or services, or the use of any component necessary therefor, shall be prohibited by any federal, state, or municipal law, rule, regulation, requirement, order, or direction, and if the LESSOR deems it in the public interest to comply therewith, even though such law, rule, regulation, requirement, order, or direction may not be mandatory on the LESSOR as a public agency.

B. LESSEE Enforcement. Nothing in this Article shall preclude nor be construed to preclude the enforcement by the LESSEE of any of its rights contained in Article XXIII (Termination by LESSEE) and Article XXIV (Suspension or Abatement) hereof.

ARTICLE XXXVI. ENTIRE AGREEMENT

The parties intend that this Lease (including all of the exhibits and attachments which are made a part of this Lease) shall be the final expression of their entire agreement with respect to the subject matter hereof, and may not be contradicted by evidence of any prior or contemporaneous written or oral agreements or understandings. The parties further intend that this Lease shall constitute the complete and exclusive statement of its covenants, agreements, obligations, stipulations, terms, and conditions, and that no extrinsic evidence whatsoever (including prior drafts hereof and changes therefrom) may be introduced in any judicial, administrative, or other legal proceeding.

ARTICLE XXXVII. AMENDMENTS

Neither this Lease, nor any of the covenants, terms, and conditions contained herein may be varied, changed, modified, or revised by any oral agreement or representation, or otherwise, except by an instrument, in writing, of subsequent date hereto, executed by both parties by their respective officer(s) or other duly authorized person(s).
ARTICLE XXXVIII. [RESERVED].

ARTICLE XXXIX. INVALID PROVISION-SEVERABILITY

If any provision of this Lease or the application thereof to any person, entity, or circumstance shall, to any extent, be deemed invalid or unenforceable by a court of competent jurisdiction, the remainder of this Lease, or the application of such provision to persons, entities, or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each other provision of this Lease shall be valid and be enforceable to the full extent permitted by law.

ARTICLE XL. NON-LIABILITY OF INDIVIDUALS

Neither the LESSOR, the Director, nor any governmental agency of the State (including any as may succeed to the duties, powers or functions of the Department), nor the LESSEE, the Board of Regents, the President, nor any of them, nor any agency, officer, or employee of any of them, shall be charged personally by the LESSOR or the LESSEE with any liability, or be held liable to the LESSOR or the LESSEE under any covenant, provision, term, or condition of this Lease, or because of its execution or attempted execution, or because of any breach, or attempted or alleged breach, thereof.

ARTICLE XLI. RESERVATION OF MINERAL AND METALLIC RIGHTS

The LESSOR reserves the right, on its own behalf or through persons authorized by it, with respect to all minerals, as hereinafter defined, at, in, on, over, or under the Premises to: (1) prospect for, mine, and remove such minerals; and, (2) occupy and/or use so much of the vacant, unoccupied, and/or unused surface of the Premises as may be required for all purposes reasonably related to the mining and removal of such minerals by any means whatsoever, including strip mining.

"Minerals" as used herein shall mean and include any and all oil, gas, coal, phosphate, sodium, sulfur, iron, titanium, gold, silver, bauxite, bauxitic clay, disapore, boehmite, laterite gibbsite, alumina, all ores of aluminum, and without limitation thereon, all other mineral substances and ore deposits, whether solid, gaseous, or liquid, including geothermal resources, at, in, on, over, or under the Premises; provided, however, that the word "minerals" shall not mean and include any of the foregoing substances and deposits when used in road or building construction in furtherance of the LESSEE's permitted activities at, in, on, over, or under the Premises, and not for sale to others.
If the LESSOR desires to exercise its rights under this Article XLI (Reservation of Mineral and Metallic Rights), the LESSOR must exercise its withdrawal rights under this Lease and comply with the LESSOR's obligations under Article XXII (Withdrawal), including, without limitation, paying compensation to the LESSEE for the Leasehold Improvements taken as part of the exercise of the LESSOR's said withdrawal rights.

ARTICLE XLII. PREHISTORIC AND HISTORIC REMAINS

A. Remains. Any and all prehistoric and historic remains found at, in, on, over, or under the Premises shall be and remain the property of the LESSOR, and shall not be disturbed or removed by the LESSEE, and/or the LESSEE's successors in interest, assigns, officers, employees, and Guests, without the express written approval of the LESSOR.

B. LESSEE to Cease Disturbance. Upon discovery of any prehistoric or historic remains, the LESSEE shall immediately stop and cease any further disturbance of the remains and surrounding portion(s) of the Premises containing the remains, and promptly notify the LESSOR of such discovery.

ARTICLE XLIII. NONDISCRIMINATION

A. Construction. The LESSEE, for itself, its personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree, as a covenant running with the Premises, that in the event facilities are constructed, maintained, or otherwise operated on the Premises described in this Lease for a purpose for which a United States Department of Transportation program or activity is extended or for another purpose involving the provision of similar services or benefits, the LESSEE shall maintain and operate such facilities and services in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations (CFR), U.S. Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally-assisted programs of the U.S. Department of Transportation, Effectuation of Title VI of the Civil Rights Act of 1964, and as said Federal Regulations may be amended.

B. Operation. The LESSEE, for itself, its personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby further covenant and agree:

(1) That no person on the grounds of race, creed, color, national origin, sex, or a physical handicap or disability, as defined in the ADA, shall be denied
the benefits of, or be otherwise subjected to discrimination in the use of said facilities and services;

(2) That in the construction of any improvements at, in, on, over, or under the Premises, and the furnishing of services thereon, no person on the grounds of race, creed, color, national origin, sex, or a physical handicap or disability, as defined in the ADA, shall be denied the benefits of, or otherwise be subjected to discrimination;

(3) This Lease is subject to the requirements of the U.S. Department of Transportation's regulations, Title 49, CFR Parts 23 and 26;

(4) That the LESSEE shall not discriminate against any business owner because of race, creed, color, national origin, sex, or a physical handicap or disability, as defined in the ADA, in connection with the conduct LESSEE's operations on the Premises and at the Harbor, or in connection with the award and performance of any lease agreement covered by Title 49, CFR Parts 23 and 26;

(5) That the LESSEE shall use the Premises and conduct the LESSEE’s operations thereon and at the Harbor in compliance with all other requirements imposed by or pursuant to Title 49, CFR, U.S. Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally-assisted programs of the U.S. Department of Transportation, Effectuation of Title VI of the Civil Rights Act of 1964, and as said Federal Regulations may be amended; and,

(6) That the LESSEE will include the foregoing statements in any subsequent lease or other agreements it enters, and cause those businesses to similarly include the statements in further agreements.

C. Breach. In the event of breach of any of the foregoing nondiscrimination covenants, the LESSOR may terminate this Lease (but not until after the LESSOR and the LESSEE fully complete the dispute resolution process described in Article XLV (Dispute Resolution) herein) and re-enter and repossess the Premises, together with all Leasehold Improvements and the LESSEE’s Personal Property thereon, and hold the same as if this Lease had never been made or issued.

ARTICLE XLIV. CIVIL RIGHTS PROVISION

The LESSEE assures that it will undertake an affirmative action program as required by Title 14, CFR Part 152, Subpart E, and as said regulation may be administered upon the Harbor by the federal government to insure that no person shall on the grounds of race, creed, color, national origin, sex, or a physical handicap or disability, as defined in the ADA, be excluded
from participating in any employment activities covered by Title 14, CFR Part 152, Subpart E. The LESSEE assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. The LESSEE further assures that it will require that its covered suborganizations provide assurances to the LESSOR that they similarly will undertake affirmative action programs, and that they will require assurances from their suborganizations, as required by Title 14, CFR Part 152, Subpart E, to the same effect.

ARTICLE XLV. DISPUTE RESOLUTION

A. All Disputes. If any disputes arise between the LESSOR and the LESSEE concerning any aspect of this Lease, the LESSOR and the LESSEE will use their best efforts to address and resolve such disputes and the parties agree to negotiate face-to-face within twenty (20) days of receipt of a letter describing the nature of the dispute and referencing this paragraph of this Lease. The meeting will be held on the island of Oahu, Hawai‘i, at the place of business of the party receiving the letter unless the parties mutually agree to meet at another place.

B. Reference to LESSOR’s Director and LESSEE’s President. In the event the matter is not resolved by negotiation within thirty (30) days of this initial negotiation meeting, and the disputes cannot be resolved between the staffs of the LESSOR and the LESSEE, the parties agree that the LESSOR’s Director of Transportation and the LESSEE’s President will together address and attempt to resolve the dispute.

C. Governor to make final decision. If the LESSOR’s Director of Transportation and the LESSEE’s President are unable to resolve the dispute, the dispute will be submitted to the Governor for resolution. The decision of the Governor on any dispute under this Agreement shall be final and binding upon the parties.

ARTICLE XLVI. BROKERS

The LESSEE represents to the LESSOR that the LESSEE has not had any contact or dealings regarding the leasing of the Premises, or any communication in connection therewith, through any licensed real estate broker or other person who could claim a right to a commission or finder’s fee in connection with this Lease. The provisions of this Article XLVI (Brokers) shall survive any expiration or sooner termination of this Lease.

ARTICLE XLVII. SURVIVAL OF OBLIGATIONS
A. **LESGOR’s Right to Enforece.** Termination of this Lease, whether by expiration or sooner termination, shall not affect the right of the LESSOR to enforce any or all representations given or made by the LESSEE to the LESSOR under this Lease, nor shall it affect any of the LESSEE’s Surviving Obligations.

B. **Accrued Obligations.** The LESSEE’s obligation to make payments to the LESSOR with respect to the accrued rents and other fees and charges (including those which have not yet been billed), if any, and to make repairs (including those relating to the return of the Premises to the LESSOR) which are accrued at the expiration or earlier termination of this Lease, shall survive the expiration or earlier termination of this Lease.

**ARTICLE XLVIII. QUIET ENJOYMENT**

The LESSEE, upon paying all of the rents and other fees and charges required under this Lease, if any, and observing, complying with, performing, and/or completely satisfying the agreements, covenants, obligations, promises, provisions, requirements, stipulations, terms, and conditions hereof, shall peaceably and quietly have, hold, and enjoy the Premises, together with all Leasehold Improvements and appurtenances during the full Lease term as against all persons or entities claiming by and through the LESSOR. The LESSEE expressly acknowledges that the LESSEE’s right to quiet possession of the Premises does not preclude the LESSOR’s right to make changes and additions to the Harbor, including the Premises, and to do work at, in, on, over, or under the Premises as permitted by this Lease, including, without limitation, the LESSOR’s right to relocate the LESSEE, as described in this Lease.

**ARTICLE XLIX. ACCORD AND SATISFACTION**

[Reserved].

**ARTICLE L. JOINT AND SEVERAL LIABILITY**

[Reserved].

**ARTICLE LI. ESTOPPEL STATEMENTS**

A. **Delivery of Estoppel Statement by LESSEE.** Within ten (10) calendar days after request therefor by the LESSOR, the LESSEE shall deliver, in recordable form, an estoppel statement certifying that this Lease is in full force and effect, the date of the LESSEE’s
most recent payment of rental, if any, and that the LESSEE has no defenses or offsets outstanding, or stating those defenses or offsets claimed by the LESSEE, and any other information reasonably requested by the LESSOR.

B. Failure of LESSEE to Deliver Estoppel Statement. If the LESSEE fails to deliver the requested estoppel statement to the LESSOR within the specified period, the following shall be deemed conclusive: (1) this Lease is in full force and effect, without modification; (2) there are no uncured defaults in the LESSOR’s performance under this Lease, and the LESSEE has no right of offset, counterclaim, or deduction against the rentals payable under this Lease; and (3) no more than one year’s rental has been paid in advance by the LESSEE. Such conclusions shall be binding upon the LESSEE. Notwithstanding these conclusions, the LESSEE’s failure to deliver the requested estoppel statement shall constitute a breach of this Lease.

ARTICLE LI. AUTHORITY

[Reserved].

ARTICLE LII. CONSENTS

[Reserved].

ARTICLE LIV. COUNTERPARTS

This Lease may be executed in counterparts, each of which shall be deemed an original, and said counterparts shall together constitute one and the same document, binding all of the parties hereto, notwithstanding all of the parties are not signatory to the original or the same counterpart. For all purposes, including, without limitation, recordation, filing, and delivery of this Lease, duplicate unexecuted and unacknowledged pages of the counterparts may be discarded, and the remaining pages assembled as one document.

ARTICLE LV. GOVERNING LAW

This Lease shall be governed by, interpreted, construed, and enforced in accordance with the laws of the State of Hawai‘i.
