I. Introduction

This Executive Policy embodies former Board of Regents Policy relating to the policy to govern the use of University owned or operated facilities. With the Board of Regents delegation of authority to the President relating to policy to govern the use of University owned or operated facilities”, the intent of this Executive Policy is twofold. First, this Executive Policy maintains the policy-based administrative infrastructure created by Board policy relating to the policy to govern the use of University owned or operated facilities. Second, this policy serves to transition the administration of the administrative infrastructure from Board policy to Executive Policy promulgated by the President.

II. Purpose

The purpose of this executive policy is to provide the policy to govern the use of University owned or operated facilities.

III. Responsibilities

The President is delegated the authority to promulgate practices and procedures governing the use of university owned or operated facilities. (See Administrative Rules, Title 20, University of Hawai‘i, Chapter 13.)
