Testimony by:

Kendra Oishi, Executive Administrator and Secretary of the Board of Regents

**H.B. No. 1071 – RELATING TO UNIVERSITY OF HAWAII BOARD OF REGENTS
INDEPENDENT AUDIT COMMITTEE**

Chair Takayama, Vice Chair DeCoite, and members of the Committee:

The Office of the Board of Regents (Board Office) supports H.B. No. 1071 which allows the Chair of the Independent Audit Committee (Committee) of the University of Hawaii (University) Board of Regents (BOR) to be selected in a manner consistent with the BOR's Bylaws and clarifies the Committee's oversight role with regard to the University's enterprise risk management activities.

The Committee is an advisory body established under section 304A-321, Hawai'i Revised Statutes (HRS), as well as under the BOR's Bylaws. The purpose of the Committee is to provide oversight of the University's compliance with, and internal controls relating to, various areas of risk management, finance, and accounting. While BOR chair appoints the chairperson and voting members of each standing committee in accordance with BOR Bylaws, section 304A-321, HRS, requires that the chair of the Committee be selected by and from the members of the Committee. Current statutory language regarding selection of the chair of the Committee has presented challenges and has inadvertently created situations in which the Committee does not have a chair. Such situations occur when the Committee chair's term on the BOR ends on June 30 and Committee membership is pending election of a BOR chair, which occurs at the first BOR meeting after June 30. Planning the first Committee meeting after the election of BOR leadership is challenging when there is no Committee chair to set the meeting agenda. By making the selection of the Committee chair consistent with BOR Bylaws and allowing the BOR chair to appoint a Committee chair in a manner consistent with the way in which other committee chairs are appointed, this problem can be avoided.

Additionally, the Board Office notes that the Committee's responsibility is to oversee, rather than engage in operations related to, the University's enterprise risk management activities and that this measure makes a clarifying amendment to that effect.

The Board Office is requesting that an additional amendment be made to this measure. While the Committee is currently exempt from the provisions of Part I of Chapter 92, HRS, and may meet in executive session to the extent that it is engaging in discussions or proceedings arising from an investigation by the Committee relating to potentially actionable civil or criminal conduct, whether or not the investigation is pending or

outstanding, it is appears that the Committee is prohibited from meeting with internal and external auditors in executive session to discuss matters that should remain confidential in accordance with nationally recognized best practices for independent audit committees. The Board Office is offering, for consideration, language that attempts to address this issue by explicitly exempts the Committee from Part I of Chapter 92, HRS, when the Committee is "...engaging in discussions with internal or external auditors on matters that should remain confidential, in accordance with nationally recognized best practices for independent audit committees..." and provides discretion to the chair of the Committee to determine if these discussions may take place in the absence of the president of the University of Hawaii or the chief financial officer of the university. For your convenience, draft language containing the aforementioned amendment is attached to this testimony.

Thank you for the opportunity to testify in support of H.B. No. 1071, with additional proposed amendments.
