- b. The existence of such condition creates an immediate and serious need for goods, services, or construction that cannot be met through normal procurement methods, and the lack of such goods, services or construction would seriously threaten the continued function of the University or its programs and operations, the preservation or protection of property, or the health or safety of any person.

Emergency purchases not within the fiscal officer's authority shall be submitted to a designated departmental fiscal officer with greater purchasing

authority or to the OPRPM, as applicable, for review and approval. All requests for emergency expenditures which exceed departmental purchasing authority shall be reviewed and approved by the Chancellor or Vice President under whose jurisdiction the request originates prior to submission to the Office of Procurement and Real Property Management.

- b. Emergency expenditures of \$50,000 or more shall be submitted to the OPRPM for review and forwarding to the Vice President for Budget and Finance/Chief Financial Officer for approval.
- c. For purposes of securing approval of an emergency expenditure, the following information shall be obtained:

For such purchases which exceed the fiscal officer's purchasing authority, OPRPM Form 152 should be completed and provided to the OPRPM as soon thereafter as reasonably possible.

- d. Such competition as is practicable shall be obtained to assure that the required goods, services, or construction are procured in time to meet the emergency. If an award is made on the basis of only one quote, OPRPM Form 95 (**Attachment 285.1**),

Determination of Cost or Price Reasonableness, shall be completed.

- e. The program shall monitor the emergency work and, upon completion, submit a confirming purchase order (Refer to Section A8.250) and all supporting documentation to the designated departmental fiscal officer or OPRPM, as applicable.
