The Japan-Multilateral COIL/VE Project Summer 2024 Online Program

Deadline to APPLY: July 9th, 2024

Skills for Society 5.0 Program

and

Entrepreneurship for Social Business Program

J-MCP is an online program jointly implemented by multiple universities in Japan and globally. In free courses, undergraduate and graduate students will engage in team projects alongside peers from all over the world, and explore entrepreneurship, sustainability, and other fascinating topics through dynamic synchronous and asynchronous activities. University of Hawaiʻi at Mānoa has been given five spots in each program.

Skills for Society 5.0 equips learners with essential tools for success, encompassing critical thinking, digital literacy, intercultural collaboration, communication, and presentation skills.

The **Entrepreneurship for Social Business Program** emphasizes social business, encouraging students to consider how entrepreneurial approaches can drive sustainable change.

Applicants must commit to full participation. Students who successfully complete the program will be eligible for a digital badge issued by IIGE (Kansai University), meeting qualifications for IMS Global Open Badges 2.0.

UHM contact person: CSS International Program Director, Spencer Kimura (**kimurasp@hawaii.edu**).

To **APPLY** for a recommendation by UHM for one of the ten spots allotted to our institution, submit the **UHM Application form** no later than July 9, 2024.
