

# Assignment Makeovers in the Age of AI:

## Contextual Policies, Assignment Strategies, Hands-on Activities, and Open Discussion

Fall 2024

**Thursday, September 12**  
**12:00 pm – 1:15 pm**  
**Online Event**

Based on contextual information about the use of AI at the University of Hawai'i and other higher education institutions, this interactive, AI-focused webinar with hands-on activities aims to engage instructors in rethinking assignment designs to promote critical thinking. No AI experience or advanced digital skills are required.

PRESENTED BY

**Laura Armer**

Director, Digital Learning Initiatives, Social Sciences Online Programs

**Vanessa Ghersi Cordano**

Digital Learning Specialist, Global and International Education

This event is sponsored by the College of Social Sciences Digital Learning Initiatives Unit, and OFDAS Center for Teaching Excellence (CTE).

We strive to host inclusive and accessible presentations. Live captioning will be provided. If our presenters agree, we will distribute their slides one day in advance and share a link to the event recording. To request additional accommodations, please email us before the event.
